Re: *Erratum, Ex Parte Communication*, WC Docket No. 11-59

Dear Ms. Dortch,

On November 18, 2011, the New York State Wireless Association (“NYSWA”), the Virginia Wireless Association (“VWA”), the Georgia Wireless Association (“GWA”), the California Wireless Association (“CalWA”) and PCIA—The Wireless Infrastructure Association (“PCIA”) filed in the above captioned proceeding an ex parte notice of its November 16, 2011 meeting with staff from the Wireline Competition Bureau and Wireless Telecommunications Bureau of the Federal Communications Commission (“Commission”) and the handout given to staff at the aforementioned meeting.

Due to an error during submission via the Commission’s Electronic Comment Filing System (“ECFS”), the notice of ex parte and the handout given to staff at the aforementioned meeting were filed separately. PCIA now files both the ex parte notice and associated handout to remedy that error and prevent confusion.

We respectfully request that the Commission accept this letter with the attached ex parte notice and associated handout. Please do not hesitate to contact the undersigned with any questions.

Sincerely,

 /s/
